### By accessing the website, you accept and agree the following terms:

Digital Technology Paths has compiled this website and they accept no responsibility for any loss or damage of whatever nature arising in any way out of the use of, or inability to use, this website or from any error or omission in information contained in this website. Digital Technology Paths reserve the absolute right to alter, suspend or discontinue any aspect of this website or the services provided through it, including your access to it.

Copyright and other intellectual property rights in the content of this website, including any Digital Technology Paths marks, logos and brands contained in the website, belong to Digital Technology Paths or its licensor(s) – who have expressly licensed content to Digital Technology Paths.

None of the content or materials available from this website, whether permission is granted for downloading and/or circulation or otherwise, may be used for commercial exploitation. You are permitted to download and store (on a temporary basis) any of the contents of the website provide that it is solely to view such contents. You are forbidden from permanently copying, storing or in any way redistributing the contents of this website except for content made specifically for download, such as fact sheets. Such content may be downloaded only for your personal use. The access, downloading and/or use by any person of anything available from this website is entirely at the user's own risk.

Any links to other websites have been included for convenience only and Digital Technology Paths accept no responsibility or liability for the contents of, or any loss or damage caused or alleged to be caused by or in connection with use or reliance on the content of, any linked website. The inclusion of any link does not imply endorsement by Digital Technology Paths of any linked website or its provider.

Whilst every care is taken to ensure that the information displayed on this website is correct, no warranty or representation is given to its quality, accuracy, fitness for purpose, usefulness or completeness, In particular the materials on this website do not give specific legal advice and should not be relied upon as doing so. In particular, users should be aware that laws and regulations might be different outside England & Wales.

Digital Technology Paths will only use any personal data collected during our use of this website in accordance with the current UK data protection legislation and our privacy policy. You agree to indemnify and hold Digital Technology Paths, and any of its officers, employees and agents harmless from and against all and any expenses, losses, liabilities, damages, costs or expenses of any character incurred or suffered and any claims or legal proceedings which are brought or threatened, in each case arising from misuse of or conduct on, this website and/or breach of these terms.

### **Privacy Policy**

www.digitaltechnologypaths.com is a general audience web site, intended for users of all ages. Personal information of all users is collected, used and disclosed as described in this Statement of Privacy. Please read our Privacy Policy that is also found on this website.

### **Collection of your Personal Information**

Digital Technology Paths collects personal information, such as your e-mail address, name, home or work address or telephone number. Information collected by Digital Technology Paths is used solely for the purpose of responding to enquiries, billing and registration. Digital Technology Paths does not collect any information about your computer hardware and software.

### **Use of your Personal Information**

Digital Technology Paths collects and uses your personal information to process enquiries. It is possible that Digital Technology Paths may also use personal information to inform you of other products or services available from Digital Technology Paths and its affiliates. Digital Technology Paths may also contact you via surveys to conduct research about your opinion of current services or of potential new services that may be offered. Digital Technology Paths does not sell, rent or lease its customer lists to third parties. Digital Technology Paths may, from time to time, contact you on behalf of external business partners about a particular offering that may be of interest to you. In those cases, your personal information (e-mail, name, address, telephone number) is not transferred to the third party. Please read our Privacy policy that is also found on this website for information on cookies and how/when we use your personal information.

If you have any questions about the website terms and conditions, please contact us at [contact@digitalconsultationpaths.com](mailto:contact@digitalconsultationpaths.com) or you may also contact us by postal mail:
